

# MAIL BACK DRUG DISPOSAL PROGRAM

## INSTRUCTIONS FOR USE \*

**ATTENTION: Retain This Box For Return Shipment**

**DO NOT THROW AWAY ANYTHING!**  
Each mail-back system contains:

- ✓ Instructions for Use Insert
- ✓ Rx Destroyer™ Hardener Packets
- ✓ Plastic Liner & Zip Tie
- ✓ "ORM-D" Label/Sticker
- ✓ UPS Prepaid Shipping Label

### PACKING THE SYSTEM

1. Put the plastic inner liner inside container and secure around edges.
2. Refill shipping box with used Rx Destroyer™ bottles. Prior to shipping ensure bottles are:
  - a) Solidified with Hardener Packet(s)
  - b) Securely sealed with cap tightened.
3. Use the liner drawstring and plastic zip tie to ensure the bag is sealed and water tight.
4. Remove old shipping labels/stickers and securely seal/close box with shipping tape.
5. Affix the "ORMD" sticker on any side of the shipping box.
6. Affix prepaid shipping label on top of shipping box.

### SHIPPING THE SYSTEM

1. **FOLLOW INSTRUCTIONS FOR PACKING THE SYSTEM PRIOR TO SHIPPING.**
2. **NOTE:** System can only be shipped through UPS ground.
3. If you have a daily UPS pick-up service:  
Hand the sealed and secured system to UPS driver.
4. If you do not have a daily UPS pick-up service:
  - Hand the system to any UPS driver
  - Schedule a UPS pick-up online at [ups.com](http://ups.com) or by calling 800-742-5877
5. Tracking information available post incineration to registered email.

\*\*Always follow facility, local, state, tribal, and federal rules and regulations for safe drug disposal.

\* Instructions Reference Only
